**Lessons and Carols for Earth Day** *Cathedral Schola Cantorum,*  
*Sunday, April 21, 3:30 P.M.* in the Cathedral

**Presentation of the Amazon Rainforest** and its peoples by leaders of the Pan-Amazonian Ecclesial Network (REPAM), **Mon., April 22, 2024, 7:00PM - 8pm**, North Conference Room.

The Amazon delegation, which includes REPAM's executive secretary and a bishop from Peru, is very eager to share their experiences as they mark the network's 10th anniversary and look ahead to continued solidarity with the peoples of the Amazon and protection of this critical ecosystem. One of their focus areas is advocating for human rights for Indigenous peoples and another is preparing for the international climate talks (COP30) in Belem, Brazil, in 2025.

One member of the delegation will also be participating in the Earth Day Lessons and Carols at the Cathedral Sunday afternoon.
