

# Conversations in the Spirit

*A Small Group Experience of the Synod: Prayer, Conversation, Discernment*

**7:00 PM – 8:30 PM, Mondays: December 4, 11, 18 – GREAT HALL**

**7:00 PM – 8:30 PM, Wednesday, December 13 on Zoom**

Pope Francis wants a synodal church, a church that gathers for prayer, listens to each other, and discerns what the Spirit is saying. Thus, the pope and the official Synod invite individual parishes to host “Conversations in the Spirit.” These are opportunities for conversation with fellow parishioners that are rooted in prayer with a view to discerning what the church should do to better preach the Good News of God’s love.

*At each conversation, we will reflect on the same three questions:*

1. How has St. Matthew’s helped you to grow spiritually?
2. How can our parish better help people to experience God in Jesus?
3. How can I get more involved in the Cathedral’s mission to bring God to people?

*All are invited to any or all Conversations in the Spirit.  
Attendance at all three is not required. Facilitated by L.J. Milone.*

The zoom link will be available on the cathedral website.
