

Care for Creation  
**GREEN TEAM**  
CATHEDRAL OF SAINT MATTHEW THE APOSTLE

## Earth Day 2023 Special

We will talk about, listen to and explore **The Hidden Life of Trees** and how they can help us to save Mother Earth in the midst of global warming and Peter Wohlleben's beautiful and thought provoking decoded tree language. We will learn about the forest as a social network and celebrate with awe the wonder and beauty of creation.

« A declaration of love and an engrossing primer on trees, brimming with facts and an unshamed awe for nature. » Washington Post

**Please join the **Creation Care GREEN Ministry** for one hour on April 20 from 6:00 P.M. - 7:00 P.M. via ZOOM**
