

# THE RADIANT PATH OF PURE LOVE

*A Series of 3 Classes*

*June 11, 18, and 25, 7pm - 8:30pm, in the East Conference Room*

In this course, we will reflect on the path of pure love as the way to realize oneness with God. It is a tremendously practical path of prayer and loving one's neighbor. Our main teachers will be the mystics St. Catherine of Genoa, Francois Fenelon, and John Chapman. They give us concrete ways to live pure love in daily life.

We will also consider insights from other mystics, namely, Teilhard de Chardin, St. Paul of the Cross, Jacopone da Todi, Benet of Canfield and the contemporary American mystic Bernadette Roberts to unfold the radiant path of pure love. Topics include: the nature of pure love, self-love, pure faith, evolution and the journey of love, and love as selflessness.
