The Communications and Evangelization Committee helps to distribute information about the various liturgies, ministries, and activities of the cathedral to the parish, Archdiocese, and public.

The Communications and Evangelization Committee's goal is to enrich the religious and spiritual life of all at St. Matthew's Cathedral through electronic and print media. In addition, the Committee creates programs that encourage the parishioners of St. Matthew's to integrate the Gospel message of Jesus Christ in their lives and share it throughout their community.

The Communications and Evangelization Committee works to invigorate the parish community's journey to salvation by searching for new ways to renew, deepen, and share the experience of the eucharist and our faith.
