The **Rachel Carson Greenway** is a planned 25-mile stretch of trails, spanning from the historic Adelphi Mill in Prince George's County north through eastern Montgomery County, Maryland to Patuxent River State Park, and incorporating existing Northwest Branch trails. The greenway w

Rachel Carson

A marine biologist, naturalist, and writer, [Rachel Carson](#) awakened the world to the potential destructive impact of humans on the natural world with her book, *Silent Spring* (1962), which launched the contemporary environmental movement.

Please visit the [Life and Legacy of Rachel Carson](#) and the [Rachel Carson Landmark Trust](#) to learn more about this incredible woman.

Responding to the predicted loss of birds, insects, other animals and plants, the UN Convention on Biological Diversity; in 2018 adopted the goal of "Living in Harmony with Nature" by 2050.
